

**Jesus Christ promised that the Holy Spirit would come to his followers.**

The risen Christ was going to return to the Father in heaven. Jesus wanted his followers to remember him.

He wanted them to tell others about God's love.

He promised that the Holy Spirit would come to be with them.

The Holy Spirit would help Jesus' followers to:

- remember the things Jesus had said and done
- love others as Jesus had taught them
- tell others about Jesus.

After he made this promise, Jesus returned to his Father.

 Write one thing you want to tell someone about Jesus.
