

**Jesus Christ promised that the Holy Spirit would come to his followers.**

**WE GATHER**

✝ *Jesus, help us to remember you always.*

Think about your family and friends. Why do you like to be with them?

Share ways you can remember them when they are not with you.

**WE BELIEVE**

The risen Christ was going to return to the Father in heaven. He did not want his followers to feel sad without him.

Jesus wanted his followers to remember him. He wanted them to tell others about God's love. He promised that the Holy Spirit would come to be with them.
