

WE BELIEVE

God made all kinds of animals.

God loves us.
God cares for us.
God filled the world with animals.

Pretend you are your favorite animal.
Let your friends guess what you are.

 Draw your favorite animal.
Could you take care of this animal?
How?

WE BELIEVE

Animals are gifts from God.

How many animals can you name?
Did God make them all look the same?

Give the lamb
a woolly coat.

Add brown spots
to the giraffe.

Give the lion
a mane.
